

## **IMPORTANT NOTICE**

From the 2700/2800 Stone Cliff Condo Association (Updated Sept 2, 2014)

### **MAKE SURE YOUR CAR KEYS ARE AVAILABLE!**

The Bluffs Village Association is planning on resurfacing all of the parking lots in the Bluffs in the near future. Currently, the work is scheduled for the September 12 and 14, but that schedule is subject to change due to weather or contractor issues. **During the resurfacing, ALL vehicles will need to be moved from the parking lots.** The work is planned to be done in stages so that all parking lots will not be closed at the same time.

In addition, sometime after the resurfacing, the garages of 2700 and 2800 will be power washed. **During the power washing, ALL vehicles, as well as any stored items (bicycles, carts, boxes, etc) will need to be removed from the garage floor (not the storage lockers).**

With these planned actions in mind, and knowing that people do take vacations, **it is critical that someone in the local area has keys to your vehicles and permission to move them,** and that the Condo Association has their names and contact info. If vehicles are not moved as required for these activities, they may be **towed at the owners' risk and expense.**

Please do the following:

- Make sure that someone has keys to your vehicles and your permission to move them as necessary.
- **No later than September 5, 2014**, notify Ashley Jenkins at Tidewater Property Management ([ajenkins@tidewaterproperty.com](mailto:ajenkins@tidewaterproperty.com) or 443-548-0191) of the name, email address, phone number of the person who has your keys and permission to move your vehicles.

Thank you for your cooperation. Have a safe and pleasant rest of the summer.
